ELECTION DATES

February 2, 2010 General Primary
November 2, 2010 General

QUALIFICATIONS **TO REGISTER TO VOTE YOU MUST:**

- * Be a U.S. Citizen
- * Be 18 years old by election day
- * Be a resident of Illinois for 30 days before the election
- * Vote at least once every 4 years
- * Notify your County Clerk of any change of address or change of name.

ABSENTEE VOTING

One of the following reasons will entitle you to vote absentee:

1. You expect to be absent from your city/county of residence (including students temporarily abiding outside the precinct in which he or she is registered to vote due to the fact he or she is a student attending an institution of higher learning).
 2. You are physically unable to go to the polling place.
 3. Religious holiday.
 4. Certain election duties (10 ILCS 5/19-1, 19-2).
 5. You are serving as a sequestered juror on a state or federal jury.
- You must state your reason under oath.

Unless you are a voter who has become hospitalized within 5 days of the election, or a resident of a soldier and sailors home, only you or your spouse, parent, child, brother, or sister or a representative of a company engaged in the business of making deliveries to the election authority may take your ballot and ballot card envelope for deposit in the mail.

ABSENTEE VOTING PROCEDURES

1. Obtain the proper application for absentee ballot, either by mail or in person, from your election authority (County Clerk).
2. Upon receipt, complete the application. Make certain to include your name, home address, the address where you want the ballot to be mailed, and be sure to sign the application. (In primary elections, you must state your party affiliation).
3. After completing the application, you must mail it to your election authority. If you return the application in person or complete the application in the election authority's office, you may immediately vote your absentee ballot in the election authority's office. If you mail the application, and it is properly completed, the election authority will mail your absentee ballot to you.
4. After receiving your ballot, **VOTE THE BALLOT IN SECRET.** Insert the ballot into the envelope provided, seal it, complete and sign the certification on the back and **PERSONALLY RETURN IT OR MAIL IT.** (The absentee voter may authorize (in writing) a spouse, parent, child, brother, sister, or a licensed motor carrier, to deliver to the election authority the completed absentee ballot in sufficient time to be delivered to the polling place on election day.) Not more than 40 days nor less than 5 days prior to the election.

EARLY VOTING IN ILLINOIS

Registered voters can vote early during the period established by state law. Check with your election authority for details. Election authorities across the state will announce the locations of early voting centers. In almost all cases, the early voting centers will be different from the voters' regular polling place. Early voting must be done by personal appearance.

GRACE PERIOD REGISTRATION

"Grace Period" registration is an extension of the period of time for a voter to register to vote, or to update their registration information. This "Grace Period" registration extends the normal close of registration up through the 14th day before the election. Once registered, this voter may cast a ballot during this "Grace Period" at the election authority's office or at a location specifically designated for this purpose by the election authority, or by mail, at the discretion of the election authority.

HOSPITALIZED VOTER

Any qualified voter who has been admitted to a hospital due to an illness or physical injury not more than 5 days before an election shall be entitled to personal delivery of an absentee ballot in the hospital subject to the following conditions:

Any person who is registered to vote in the same precinct as the hospitalized voter or any legal relative of the hospitalized voter may present such voter's absentee ballot application to the election authority. Such precinct voter or relative shall execute and sign an affidavit furnished by the election authority attesting that he is a registered voter in the same precinct as the hospitalized voter or that he is a legal relative of the hospitalized voter and stating the nature of the relationship. Such precinct voter or relative shall further attest that he has been authorized by the hospitalized voter to obtain his absentee ballot from the election authority and deliver such ballot to him in the hospital.

Upon receipt of the hospitalized voter's application, physician's certificate, and the affidavit of the precinct voter or the relative, the election authority shall examine the registration records to determine if the applicant is qualified to vote and, if found to be qualified, shall provide the precinct voter or the relative the absentee ballot for delivery to the applicant in the hospital.

Upon receipt of the absentee ballot, the hospitalized voter shall mark the ballot in secret and subscribe to the certifications on the absentee ballot return envelope. After depositing the ballot in the return envelope and securely sealing the envelope, such voter shall give the envelope to the precinct voter or the relative who shall deliver it to the election authority in sufficient time for the ballot to be delivered by the election authority to the proper precinct polling place before 7 p.m. on election day.
